## SPONSORS

This journal project is realized with generous support from Freie Universität Berlin, specifically from the Center for Global History of the Friedrich-Meinecke-Institut, the OJS e-publishing project at CeDiS, and the ZEDAT hostmaster team.

## SCOPE AND PURPOSE

In response to the increasing interest in the ‘global’ as a field of inquiry, a perspective, and an approach, *Global Histories: A Student Journal* aims to offer a platform for debate, discussion, and intellectual exchange for a new generation of scholars with diverse research interests. Global history can provide an opportunity to move beyond disciplinary boundaries and methodological centrisms, both in time and space. As students of global history at Freie Universität Berlin and Humboldt-Universität zu Berlin, our interest lies not in prescribing what global history is and what it is not, but to encourage collaboration, cooperation, and discourse among students seeking to explore new intellectual frontiers.

## PUBLICATION FREQUENCY

The journal is published twice yearly in spring and autumn. Please see the website for further details.

## COPYRIGHT AND PUBLICATION DATES

All material is published under the Creative Commons Attribution 4.0 International copyright license.

This issue was published in March 2023.

## PEER REVIEW STATUS AND ETHICS

This journal provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge. All articles which appear in this issue, with the exception of editorial content, were subject to peer review.
