**PUBLISHER INFORMATION**

Founded in 2015 by students of the M.A. program Global History at Freie Universität Berlin and Humboldt-Universität zu Berlin, *Global Histories* is a Berlin-based bi-annual journal published in association with the Freie Universität Berlin.

Freie Universität Berlin  
*Global Histories: A Student Journal*  
Friedrich-Meinecke-Institut  
Koserstraße 20.  
14195 Berlin

**SPONSORS**

This journal project is realised with generous support from Freie Universität Berlin, specifically from the Center for Global History of the Friedrich-Meinecke-Institut, the OJS e-publishing project at CeDiS, and the ZEDAT hostmaster team.

**SCOPE AND PURPOSE**

In response to the increasing interest in the “global” as a field of inquiry, a perspective, and an approach, *Global Histories: A Student Journal* aims to offer a platform for debate, discussion, and intellectual exchange for a new generation of scholars with diverse research interests. Global history can provide an opportunity to move beyond disciplinary boundaries and methodological centrisms, both in time and space. As students of global history at Freie Universität Berlin and Humboldt-Universität zu Berlin, our interest lies not in prescribing what global history is and what it is not, but in encouraging collaboration, cooperation, and discourse among students seeking to explore new intellectual frontiers.

**PUBLICATION FREQUENCY**

The journal is published twice yearly, in spring and autumn. Please see the website for further details.

**COPYRIGHT AND PUBLICATION DATES**

All material is published under the Creative Commons Attribution 4.0 International copyright license. This issue is published in February 2025.

**PEER REVIEW STATUS AND ETHICS**

This journal provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge. All articles which appear in this issue, with the exception of editorial content, were subject to peer review.
